Dayton, OH 45402

Dear Parents Advancing Choice in Education:

I am honored to be a recipient of the PACE Scholarship; thank you for your generous support.

Aerospace technology has always fascinated me and I have decided to pursue this by majoring in Mechanical Engineering at Wright State University. The PACE Scholarship will play a major role in my ability to attend college and pursue my dreams.

I will begin my undergraduate studies at Wright State University this September and I am confident that I will make a smooth transition to college. I also hope to take advantage of Wright State's internship opportunities at the Air Force Research Laboratories at Wright-Patterson AFB. I will also continue my community service involvement that I began at Chaminade Julianne High School.

Thank you again for your generous support -- I greatly appreciate it!

Sincerely,

Joseph Scupski
